In January–June 2014, the market value of these interest rate swaps fell by EUR 0.02

million (in January–June 2013, the market value grew by EUR 0.6 million).

NEWSPAPERS TO COLLABORATE MORE CLOSELY THROUGH LÄNNEN MEDIA

On 23 June 2014, Ilkka-Yhtymä Oyj's subsidiary I-Mediat Oy and five other Finnish newspaper publishers signed a co-operation agreement to establish Lännen Media Oy, a company that will produce content for 12 provincial newspapers in western and northern Finland.

By the end of 2014, the Lännen Media newspapers will set up a nationwide editorial staff of 40 people to produce content for printed newspapers as well as digital, online and mobile channels.

The shared editorial staff will produce nationwide Finnish and international news content, timely articles to shed light on the facts behind the news, weekend supplement material, daily theme pages and nationwide online news.

The founding newspapers behind Lännen Media include Ilkka-Yhtymä's newspapers Ilkka and Pohjalainen, Alma Media's newspapers Aamulehti, Satakunnan Kansa, Lapin Kansa, Kainuun Sanomat and Pohjolan Sanomat as well as Kaleva, Turun Sanomat, Keskipohjanmaa, Hämeen Sanomat and Forssan Lehti, which is part of the same company.

The Lännen Media newspapers reach almost two million Finns (1,980,000). The combined circulation of the printed newspapers is 516,375 copies (FABC Audit 2013) and they are read by 1.28 million readers.

ILKKA-YHTYMÄ'S NEWSPAPERS TO BE PARTLY DISTRIBUTED BY HSS MEDIA

Ilkka-Yhtymä Oyj's subsidiary I-Mediat Oy has started distribution co-operation with HSS Media in the Swedish-speaking coastal regions of Ostrobothnia.

As from 1 June 2014, I-Mediat Oy's provincial newspapers Pohjalainen and Ilkka will gradually start using the distribution services of HSS Media in the Swedish-speaking municipalities of Ostrobothnia, with the exception of Vaasa and Mustasaari. On Mondays, when HSS Media does not publish newspapers, Pohjalainen and Ilkka will be delivered by Itella with the daily mail. In Vaasa and parts of Mustasaari, the newspapers will still be distributed by Itella in the early hours, seven days a week.

PERSONNEL

The Group had an average of 312 (322) employees during the period.

On 6 May 2014, Ilkka-Yhtymä announced that it would start adaptation measures in order to safeguard profitability. As part of these measures, the company launched negotiations concerning all personnel in line with the Act on Co-operation within Undertakings.

As the outcome of these negotiations, personnel savings will largely be achieved through temporary layoffs of all employees. The savings correspond to layoffs of around one week during the second half of 2014. As a result of voluntary retirement and the part-time employment and redundancies agreed upon in the codetermination negotiations, Ilkka-Yhtymä will permanently reduce its full-time employees by about 10. These personnel savings, coupled with other adaptation measures, will yield the targeted cost-savings of EUR 0.6 million in 2014.

RISKS AND RISK MANAGEMENT

In the current economic climate, major uncertainties are associated with the predictability of both net sales and operating profit. Ilkka-Yhtymä's most significant short-term risks are related to the development of media advertising, in particular, as well as circulation and printing volumes, which affect the industry in general. Other risks associated with the Group's own operations and its holding in associated company Alma Media Corporation are described in more detail in the Annual Report 2013.

The Group's major financial risks include credit risk of the Group's operative business, the risk associated with the price of shares held for trading, liquidity risk and the risk of changes in market interest rates applied to the loan portfolio. In order to hedge against interest rate risk, on 21 December 2010 the company transformed some of its floating-rate liabilities to a fixed rate, by means of interest rate swaps. Given that the Group does not apply hedge accounting, changes in the market value of the interest rate swap are recognised through profit and loss. Other financial risks are discussed in more detail in the 2013 Annual Report.

CORPORATE GOVERNANCE AND THE ANNUAL GENERAL MEETING

On 24 April 2014, the Annual General Meeting (AGM) of Ilkka-Yhtymä Oyj approved the financial statements, discharged the members of the Supervisory Board and the Board of Directors and the Managing Director from liability and decided that a per-share dividend of EUR 0.10 be paid for the year 2013.

The number of members on the Supervisory Board for 2014 was confirmed to be 25. Of the Supervisory Board members whose term had come to an end, the following were re-elected for the term ending in 2018: Kari Aukia, Sami Eerola, Jari Eklund, Johanna Kankaanpää, Yrjö Kopra, Juha Mikkilä and Sami Talso.

At the Annual General Meeting it was decided to maintain the payments made to the Chairman of the Supervisory Board and the board members at their current level: the Chairman will receive a retainer of EUR 1,500 per month and a fee of EUR 400 per meeting, and the board members will be paid a fee of EUR 400 per meeting attended. The board members' travel expenses are reimbursed in accordance with the current maximum level specified by the tax authorities.

Ernst & Young Oy, Authorised Public Accountants, was elected as the auditor, with Authorised Public Accountant, M.Sc.(Econ.) Harri Pärssinen as the principal auditor. It was decided that the auditors would be reimbursed per the invoice.

The AGM authorised the Board of Directors to decide upon a donation to be put toward charitable causes or similar, totalling, at maximum, EUR 50,000, as well as to decide upon the recipients, purposes of use, schedules and other terms of these donations.

At its meeting on 5 May 2014, the Supervisory Board re-elected Esa Lager and Riitta Viitala to the Board of Directors of Ilkka-Yhtymä Oyj when their terms of service had come to an end. Seppo Paatelainen announced that he would step down from the Board. Markku Hautanen, M.Sc. (Econ.), CEO of the Skaala Group, was elected as his replacement for the remainder of the term (ending in 2015). Lasse Hautala will continue as chairman of the Supervisory Board, while Perttu Rinta will continue as vice-chairman.

At its membership meeting, the Board of Directors elected Timo Aukia as its chairman and Esa Lager as its vice-chairman. The Board of Directors of Ilkka-Yhtymä Oyj now has the following membership: chairman Timo Aukia, vice-chairman Esa Lager, members Markku Hautanen, Sari Mutka, Tapio Savola, and Riitta Viitala.

OUTLOOK FOR 2014

In the current economic climate, forecasting net sales in the media sector and, in particular, media advertising spending involves major uncertainties. Media advertising in Finland is expected to remain roughly at the previous year's level and, due to caution among consumers as well as competition in the media market, newspaper circulation income is forecast to shrink. Printing business volumes have shrunk in Finland and the trend is expected to continue in 2014.

The net sales of Ilkka-Yhtymä Group are estimated to decline from the 2013 level.

Group operating profit from Ilkka-Yhtymä's own operations, excluding the share of Alma Media's and other associated companies' results, are expected to decline from the 2013 level.

The associated company Alma Media Corporation (Group ownership 29.79%) will have a significant impact on Group operating profit and profit.
