External net sales from the publishing business grew by 3.4%. Advertising revenues grew by 6.0%, and circulation revenues grew by 0.5%. External net sales from the printing business fell by 45.5%, partly due to the termination of HSS Media Oy's printing contract on 31 December 2009 and the fall in printing prices. Circulation income accounted for 42% of consolidated net sales, while advertising income and printing income represented 46% and 11%, respectively.

For Q3, net sales fell by 3.7% and totalled EUR 11.0 million (EUR 11.4 million). External net sales from the publishing business grew by 6.1%. Advertising revenues grew by 12.0%, and circulation revenues grew by 0.6%. External net sales from the printing business fell by 49.7%. Operating expenses for January-September amounted to EUR 29.2 million (EUR 30.5 million), down by 4.1% year on year. For July-September, operating expenses amounted to EUR 9.2 million (EUR 9.8 million), down 6.6%. Expenses from materials and services decreased due to the decline in printing volumes and the falling prices of printing materials. As a result of co-determination negotiations conducted in Ilkka-Yhtymä Group in March 2009, arrangements concerning holiday pay were negotiated with the staff. This resulted in cost savings of EUR 0.9 million in personnel costs for January-September 2009. With respect to Q1/2010, the arrangement reduced personnel costs by approximately EUR 0.1 million.

The share of the associated companies' result for January-September was EUR 4.8 million (EUR 1.2 million). Consolidated operating profit amounted to EUR 9.8 million (EUR 7.0 million), up by 40.8 per cent year-on-year. The Group's operating margin was 28.9 per cent (19.4%). Operating profit excluding Alma Media Corporation and the other associated companies amounted to EUR 5.0 million (EUR 5.8 million), representing 14.8% (16.1%) of net sales. Operating profit from publishing grew by EUR 0.7 million. Operating profit from printing decreased by EUR 1.4 million, due to a reduction in volumes and the transfer of advertisement production to the publishing segment, as well as the costs for closing down the operations of the Vaasa printing unit during Q1.

For July-September, the share of the associated companies' result was EUR 1.9 million (EUR 1.1 million). Consolidated operating profit amounted to EUR 3.8 million (EUR 2.8 million). Financial income for Q1/2009 includes EUR 2.3 million in dividend income from Alma Media Corporation. On 10 August 2009, Ilkka-Yhtymä's holding in Alma Media Corporation increased and the latter became the former's associated company, as a result of which the dividends received (EUR 6.1 million for Q1/2010) have been eliminated in the Consolidated Income Statement (IFRS). For July-September, net financial income amounted to EUR 0.03 million (EUR 0.2 million), with financial assets at fair value through profit or loss accounting for EUR 0.2 million (EUR 0.4 million).

Pre-tax profits for January-September totalled EUR 10.0 million (EUR 10.0 million). The consolidated balance sheet total came to EUR 147.5 million (EUR 151.0 million), with EUR 100.3 million (EUR 97.2 million) of equity. Following a share purchase on 10 August 2009, Ilkka-Yhtymä's holding in Alma Media changed, resulting in the latter becoming an associated company. Following this the valuation loss (EUR 31.5 million) on available-for-sale shares assigned in the fair value reserve under shareholders' equity was transferred to shares in associated companies, not recognised through profit or loss. Thereafter, shares in associated companies were reported at cost and shareholders' equity was increased by the amount transferred. According to the management's estimate, write-down in this holding is unnecessary. In order to repay the temporary debt financing used for the purchase of shares in Alma Media Corporation and to strengthen the Company's capital structure, Ilkka-Yhtymä Oyj executed a share issue in September 2009 which raised approximately EUR 38.4 million, excluding the expenses entailed by the issue.

Ilkka-Yhtymä Group's publishing company I-Mediat Oy held co-operation negotiations mainly concerning I-Mediat Oy's technical production and information management personnel working in the editorial offices of provincial papers. These negotiations began on 17 May 2010 and ended on 7 June 2010.

The subject of the negotiations were the changes taking place in the editorial process related to newspapers and the increase in internal and external cooperation. As a result of these negotiations, staff numbers will be reduced by eight. These personnel effects are estimated to materialise in full during 2011.

RISKS AND RISK MANAGEMENT

Ilkka-Yhtymä's most significant short-term risks are related to the development of media advertising and circulation and printing volumes, which affect the industry in general. Other business risks are discussed in more detail in the 2009 Annual Report.

The Group has EUR 35.5 million in interest-bearing loans, EUR 33.2 million of which are long-term. The interest rate risk is controlled by taking out both fixed-rate and variable-rate loans. On 30 September 2010, the interest on 23% of these loans was fixed-rate and on 77% variable-rate. The loans' maturity ranges from three to five years. On the reporting date of 30 September 2010, the impact of the variable-rate liabilities on profit before taxes would have amounted to EUR -/+ 0.3 million had the interest level increased or decreased by a percentage point.

ILKKA-YHTYMÄ VENTURES INTO NATIONAL CLASSIFIED ADVERTISEMENTS BUSINESS

In March 2010, Ilkka-Yhtymä announced that Arena Partners Oy, an associated company in which Ilkka-Yhtymä Oyj has a 38% stake, will begin comprehensive cooperation with Alma Media Corporation in the national classified advertising business. On 26 August 2010, Arena Partners and Alma Media closed the deals related to the cooperation arrangement approved by the Finnish Competition Authority (FCA) on 14 July 2010. The FCA's decision contained no conditions.

Arena Partners purchased a 35% share of Alma Mediapartners Oy which is Alma Media's home sales, vehicle and consumer advertising marketplace company. On the same occasion, Alma Media purchased a 35% share of Arena Interactive, Arena Partners' subsidiary specialising in the development of mobile solutions. These share purchases were conducted on 1 September 2010. The arrangement does not have any personnel implications in the target companies.

The cooperation between Arena Partners Oy and Alma Mediapartners Oy is a strategic element in the customer-oriented development of Ilkka-Yhtymä's online and mobile services. The goal of this cooperation involving ownership is to improve the service offering provided for regional customers of Ilkka-Yhtymä's provincial newspapers (Ilkka and Pohjalainen) and to venture into the national classified advertisement business. With this new arrangement, customer responsibilities will become mainly regional. The joint venture company will have centralised responsibility for product development, technology, brands and national sales. The joint venture involves Alma Media's Etuovi.com, Vuokraovi.com, Autotalli.com and Mikko.fi. Total net sales of these services came to EUR 16.9 million in 2009. Arena Interactive Oy's net sales in 2009 totalled EUR 1 million.

Arena Interactive Oy, jointly owned by Arena Partners Ltd and Alma Media Corporation, will continue operating as an independent developer of mobile solutions and service provider in the media sector.

The new cooperation will have only a minor short-term effect on Ilkka-Yhtymä's key financial figures.

CORPORATE GOVERNANCE AND THE ANNUAL GENERAL MEETING

On 19 April 2010, the Annual General Meeting of Ilkka-Yhtymä Oyj approved the financial statements, discharged the members of the Supervisory Board and the Board of Directors and the Managing Director from liability, and decided that a per share dividend of EUR 0.35 be paid for 2009.

The number of members on the Supervisory Board for 2010 was confirmed to be 26. Of the Supervisory Board members whose term had come to an end, the following were re-elected for the term ending in 2014: Kari Aukia, Vaasa, Sami Eerola, Nurmo, Jari Eklund, Helsinki, Johanna Kankaanpää, Ähtäri, Yrjö Kopra, Helsinki, Juha Mikkilä, Kurikka and Sami Talso, Mustasaari. Lasse Hautala, Kauhajoki, was elected to replace a Supervisory Board member whose term was expiring under Article 5 of the Articles of Association (68 years in 2010) until the end of the term in question (ending in 2011). Lasse Hautala left Ilkka-Yhtymä's Board of Directors on 19 April 2010. Satu Heikkilä, Helsinki, was elected to replace a Supervisory Board member who resigned during the term of office until the end of the term in question (ending in 2011).

At the Annual General Meeting it was decided to maintain the payments made to the Chairman of the Supervisory Board and the board members at their current level: the Chairman will receive a retainer of EUR 1,000 per month and a fee of EUR 350 per meeting, and the board members will be paid a fee of EUR 350 per meeting attended. The board members' travel expenses are reimbursed in accordance with the current maximum level specified by the tax authorities.

Ernst & Young Oy, Authorised Public Accountants, was elected the auditor, with Authorised Public Accountants Tomi Englund and Marja Huhtala as the main auditors. Authorised Public Accountants Päivi Virtanen and Johanna Winqvist-Ilkka were elected deputy auditors. It was decided that the auditors would be reimbursed as per the invoice.

The AGM approved the Board of Directors' proposal on amending the Articles of Association. According to the proposal certain changes resulting from amendments to the Companies Act as well as some other, primarily technical, changes were made to the Articles of Association. The current sections 2, 4, 6, 10, 11, 14, 16 and 17 of the Articles of Association were amended and section 13 was removed, resulting in some changes to section numbers.

The amendments included the following:

- The relinquishment of the minimum and maximum amounts of share capital and shares, and relinquishment of the nominal value of share (section 2).
- The first paragraph of section 11, concerning the time of the summons to the General Meeting, was amended as follows: "The summons to a General Meeting must be delivered to shareholders no more than three (3) months and no less than three (3) weeks prior to the General Meeting, through the publication of a notice in a newspaper published by

the company or its subsidiary, and on the corporate website. The summons to a General Meeting must, however, be published a minimum of nine (9) days prior to the matching date of the General Meeting."

- The current section 14 on a single shareholder's number of votes was amended as follows: "At a General Meeting, a single shareholder may not use more than one twentieth (1/20) of the entire number of votes represented in a meeting."
- The number of auditors was reduced to one (current section 17).

The AGM authorised the Board of Directors to decide upon a share issue and/or granting stock options and/or other special rights and upon their conditions. The maximum number of Series II shares issued is 7,700,000, corresponding to around 30 per cent of the company's total shares and 36.05 per cent of Series II shares at present. This authorisation includes the right to issue shares and/or stock options and/or other special rights as distinct from the shareholders' pre-emptive rights, under conditions prescribed by law, and the right to decide upon a free issue to the company itself. The authorisation is valid for five years from the date of the AGM's decision.

The AGM authorised the Board of Directors to decide in 2010 upon a donation, totalling a maximum of EUR 100,000, to be made towards charitable or similar causes, and authorised the Board of Directors to decide upon the recipients, purposes of use and other terms of these donations.

The proposal by Osakesäästäjien Keskusliitto ry (Shareholders Association) to wind up the Supervisory Board was not approved.

In its meeting of 24 May 2010, the Supervisory Board elected Professor Riitta Viitala as new member to the Board of Directors of Ilkka-Yhtymä Oyj. Lasse Hautala was elected Chairman of the Supervisory Board while Perttu Rinta will continue as its Vice Chairman. At its membership meeting, the Board of Directors re-elected Seppo Paatelainen as its Chairman, while Timo Aukia will continue as Vice Chairman.

FLAGGING ANNOUNCEMENTS

As a result of a share purchase completed on 19 April 2010, Pohjois-Karjalan Kirjapaino Oyj's holding in Ilkka-Yhtymä Oyj's share capital increased to 5.9524 per cent of the share capital and 1.4236 per cent of the voting rights.

OUTLOOK FOR 2010

Due to the nascent economic recovery, the slow growth of media advertising is expected to continue in Finland throughout the rest of the year. Newspaper circulation income is expected to remain at almost the previous year's level due to price increases. Due to the recession, printing business volumes have declined substantially in Finland as media advertising has decreased during the first half of the year and exports have diminished.

Net sales for Ilkka-Yhtymä Group are expected to contract slightly as the net sales of the printing business decrease mainly due to the termination of HSS Media Oy's printing contract at the end of 2009. Net sales for the publishing business, on the other hand, are forecast to increase slightly.

Group operating profit from Ilkka-Yhtymä's own operations and operating profit as a percentage of net sales, excluding the share of Alma Media Corporation's and other associated companies' profit, are expected to decrease to some extent from their 2009 levels. In addition, the year's results will depend on interest-rate trends, any trading in securities and the price performance of securities investments. Furthermore, the associated company Alma Media Corporation (20.3% stake in it) will have a significant impact on Group operating profit and profit.

In the current economic climate, uncertainties remain, related to the predictability of both net sales and operating profit.
